

Satya Analytics Privacy Policy

Who we are

TourismAlchemy is a product from Satya Analytics, a DBA of Setanta Incorporated, a corporation based in California, USA. Our website addresses are: <https://satya-analytics.com> and <https://tourismalchemy.com>.

What personal data we collect and why we collect it

We use email contact information for marketing purposes for non-EU recipients. All marketing communications sent by us provide you with the option to remove your information from our lists, and if you wish to have your contact information removed at any other time, you may contact us at admin@satya-analytics.com.

There are several user-fillable forms on our site. We collect and save any data you provide on our servers. Should you wish to have this data deleted, you can send a request via admin@satya-analytics.com.

These websites may collect data about you, use cookies, embed additional third-party tracking, and monitor your interaction with that embedded content, including tracing your interaction with the embedded content if you have an account and are logged in to that website.

We may receive and store information from users who visit our website from services such as Google Analytics.

We collect, anonymize, and aggregate data from various social media and other sites such as YouTube in compliance with their privacy policies and terms of service. Please review their privacy policy <https://policies.google.com/privacy>, and terms of service <https://www.youtube.com/t/terms> here.

Who we share your data with

Facebook: By clicking “like” or adding a comment on our pages, you will be providing Facebook with data about yourself.

MailerLite: For sending out larger group emails they will be routed through their servers.

We do not share our information with any other organizations or use it for remarketing, profiling, or tracking purposes.

How long we retain your data

Any data is kept indefinitely.

What rights you have over your data

You can request that we erase any personal data we hold about you. This does not include any data we are obliged to keep for administrative, legal, or security purposes. Please send a request to admin@satya-analytics.com to have your data deleted from our servers.

How we protect your data

We do our best to keep your Personal Data safe. We monitor our systems for possible vulnerabilities and attacks, including the use of SSL/HTTPS.

Even though we try our best we cannot guarantee the security of information. However, we promise to notify suitable authorities of data breaches. We will also notify you if there is a breach.
